

Mylonas Naked Truth Savatiano 2018

(88+)

From a single vineyard in Attica Naked Truth is the first skin contact (vinification with the skins) Savatiano. Very low yields of 20 hl/ha, skin contact for 15 days, low SO2 during bottling. Floral and wild on the nose with biscuity notes. Lightly tannic on the palate with high level of freshness and persistent finish. An excellent effort on par with the first Naked Truth of 2016.
