

## Theopetra Xinomavro Rosé 2018

(89)

*(Organic single-vineyard wine, Platanos 5-10% slope at prehistoric Theopetra Cave foothills at 230m altitude, sandy clay over slate, Yield: 37hL/ha, harvest: 3th week of September, fermentation in stainless steel tank at low temperatures, aging on lees for 40 days)* Pale pink orange color. Intense nose combining cherries and herbs along pink grapefruit and some savoury undertones. Love the precision and the structure on the palate with some underlying minerality.
